

TALLURI CHANDANA

8179639959 | chandanatalluri20@gmail.com | LinkedIn | GitHub

PROFESSIONAL SUMMARY

Computer Science and Engineering undergraduate with strong foundations in Computer Networks, Operating Systems, Programming, and Software Development. Cisco-certified learner with hands-on experience developing AI-powered applications, web platforms, and networking-focused projects. Passionate about building practical technology solutions and continuously expanding technical expertise.

EDUCATION

Anurag University <i>B.Tech in Computer Science and Engineering — CGPA: 8.59/10</i>	Hyderabad, India <i>Expected 2027</i>
Narayana Junior College <i>Intermediate (Class XII) — Percentage: 94.6%</i>	Hyderabad, India <i>2023</i>
Secondary School <i>Class X — Percentage: 86.66%</i>	India <i>2021</i>

TECHNICAL SKILLS

Programming Languages: Python, C, Java, JavaScript
Web Technologies: HTML, CSS, JavaScript, React
Databases: SQL, Supabase
Tools & Platforms: Git, GitHub, VS Code, ServiceNow, Salesforce, Cisco Packet Tracer
Core Computer Science: Computer Networks, Operating Systems, DBMS, Object-Oriented Programming, Software Engineering, Data Structures & Algorithms
Areas of Interest: Artificial Intelligence, Networking, Cybersecurity, Web Development

PROJECTS

- StudyMate AI** | *React, TypeScript, Supabase, AI-Powered Learning Platform*
- Developed and deployed an AI-powered learning platform featuring personalized tutoring, quiz generation, study planning, and progress tracking.
 - Implemented authentication, dashboard analytics, weak-topic identification, and performance monitoring.
 - Designed responsive user interfaces and AI-assisted workflows for personalized learning experiences.
 - Deployed and maintained a live web application for real-world user access and testing.
- EventEase – Event Management Platform** | *HTML, CSS, JavaScript*
- Developed a web-based event planning application supporting event selection, decoration planning, catering selection, and cost estimation.
 - Designed interactive workflows to simplify event planning and customization.
 - Currently transforming the platform into EventGenie AI, an AI-powered event planning assistant with multilingual support and intelligent recommendations.
- Personal Portfolio Website** | *HTML, CSS, JavaScript*
- Developed a responsive portfolio website showcasing projects, skills, certifications, resume, and professional information.
 - Integrated project demonstrations including Calculator, Quiz Generator, To-Do List, and Weather App.
 - Implemented GitHub, LinkedIn, and contact links for professional accessibility.

EXPERIENCE & ACTIVITIES

- ServiceNow Virtual Internship** 2025
Virtual
- Gained exposure to IT Service Management (ITSM), workflow automation, and enterprise platform fundamentals.
 - Explored incident management, service requests, and low-code/no-code application development concepts.
 - Learned business process automation using the ServiceNow platform.
- Salesforce Agentforce Hackathon** January 2026
College Event
- Participated in a Salesforce Agentforce Hackathon focused on AI-driven enterprise solutions.
 - Collaborated on problem-solving and solution design using Salesforce technologies.
 - Strengthened teamwork, innovation, and technical presentation skills.

CERTIFICATIONS

- **Cisco Networking:** Network Technician Career Path, CCNA Introduction to Networks, CCNA Switching Routing and Wireless Essentials, CCNA Enterprise Networking Security and Automation, Exploring Networking with Cisco Packet Tracer, Getting Started with Cisco Packet Tracer
- **NPTEL:** Computer Networks, Operating Systems
- **Artificial Intelligence & Data:** Introduction to Modern AI, Apply AI Analyze Customer Reviews, Introduction to Data Science, Data Analytics Essentials
- **Programming & Security:** Python Essentials 1, Python Essentials 2, Industrial Cybersecurity Essentials

ACHIEVEMENTS

- Earned **17 Cisco badges** and completed **19 professional certification courses** in Networking, AI, Data Science, Cybersecurity, and Programming.
- Completed the **Cisco Network Technician Career Path** along with multiple **CCNA** certifications, strengthening practical networking and infrastructure knowledge.
- Built and deployed multiple projects including an **AI-powered learning platform (StudyMate AI)**, an **Event Management System**, and a **Personal Portfolio Website**.
- Actively strengthen problem-solving and coding skills through **LeetCode** and **HackerRank**.
